

A Data-Driven Solution to Strengthen Leadership and Team Communication

THE E-SCORE ADVANTAGE™

Your Secret Weapon to Creating a Happier, More Productive Team

AUDIENCE:

FOR NEW MANAGERS, TEAM LEADS AND INDIVIDUAL CONTRIBUTORS

How engaged, effective and empowered is your team?

Great teams don't happen by chance—they're built with clarity, alignment, and actionable insights. This hands-on session starts with a quick **E-Score Audit™**, a real-time assessment tool that evaluates your team across five key areas: **Engagement, Effectiveness, Empowerment, Entrepreneurship, and Enjoyment.**

This transformative session builds trust, and helps leaders prioritize areas for improvement to create measurable growth. Participants leave with tools to take immediate action. **Two follow-up virtual sessions and post-assessment** ensure continued momentum and success.

KEY TAKEAWAYS:

- **Discover Your E-Score:** Get a real-time assessment of your team's dynamics, identifying strengths and growth areas with a personalized report for each participant.
- **Team Insights:** Organizations receive an aggregate team score to uncover leadership and communication gaps holding teams back.
- **Practical Tools:** Equip teams with actionable strategies to build trust, align goals, strengthen collaboration, and deliver better results.
- **Continuous Learning Support:** Two virtual follow-up group sessions and post-assessment ensure continued momentum and success.
