Hurry!
Limited Offer
until 8/31/25.

Bring your teams
back to the office,
with a purpose.

**We do the work.
You look like a star.**

BOOST THE HUMAN SKILLS TECHNOLOGY ALONE CAN'T DELIVER

Get a clear, data-driven roadmap on your team's current strengths, gaps, and where to focus for effective change.

Up to 50 people / all levels / teams and managers

- **Personalized E-Score™ report** (*Engagement & Effectiveness score*) for each participant in real-time with strengths, growth areas, and action steps
- **Aggregate team data** with trends, ROI metrics and actionable insights
- **Tailored recommendations for next steps:** workshops and programs to build the skills your team needs to thrive in an AI-powered world

- **Perfect opportunity for a return-to-office summer session** to connect teams from across the company
- **Ability to get honest, open answers** in a relaxed, engaging and confidential format
- **Data-driven, actionable insights and ROI metrics** that pinpoint specific issues and a clear path forward
- **We help you turn insights into action** with practical next steps for your team
- **Easy for HR to roll out** with ready-to-send invites, session details, materials, plus ***the world's most inspiring cookie bar*** 🍪

Each participant gets a personalized E-Score™ report and action steps. Companies get the full team picture, trends, insights, and ROI.
